## TOWN OF LANSING PARKS, RECREATION AND TRAILS MASTER PLAN COMMUNITY SURVEY SUMMARY

#### **A. SURVEY OVERVIEW**

As part of the public engagement component of the Town of Lansing Parks, Recreation and Trails Master Plan, an online community survey was developed. The purpose of the survey was to identify community needs and issues concerning Lansing parks, recreational programs, and facilities. The Lansing park system includes Myers Park, Ludlowville Park, Town Ball Fields, Town Barn Fields, Salt Point, and the Lansing Town Center Trail. The information gathered will help to inform the Town of Lansing Parks, Recreation and Trails Master Plan. The Plan will create a roadmap to ensure an appropriate balance of facilities, amenities and programs throughout the Town and will be used as a resource for development of the Town's parks, trails and recreation system over the next five to twenty years.

A thirty-four (34) question online survey was created and distributed using the Survey Monkey platform. The survey opened on October 2, 2020 and remained open until December 18, 2020 with 445 responses received.

The survey was made available in several locations, including the project website at www.lansingparksandtrailsplan.com, the Town website, the Lansing Recreation Department website, at park events, and the Town's social media platforms. Information and links to the survey were also distributed during the survey period on flyers and survey cards which included a Quick Response (QR) code for direct access to the survey on a smartphone or tablet.

#### **Data Limitations**

The survey is one of multiple public engagement activities intended to gather input from the community. The survey responses are self-selecting and are not statistically valid. The survey alone cannot be used to find the "answer" or "solution" but can in part help identify common themes and trends.

#### **B. SURVEY TOPIC AREAS**

The survey was organized around the following components: Participant Information, Use, Facilities, Program Experience, Park Specific sections, including Myers Park, Ludlowville Park, Town Ball Fields, Town Barn Fields, Salt Point, Town Center Trail, and the Bell Station Property (North of power plant), and Suggestions for the Future.

#### **Participant Information**

Participant Information focused on who was taking the survey. Questions asked about demographic information and how survey participants interact. Getting a broad range of survey participants from the local area is important to address the needs of different demographics. Understanding age, location, and total annual household income can help inform how to address the needs of the community from a pars and recreation perspective. Furthermore, knowing that responses are representative of a variety of community members can assist in inclusive decision making.

#### Use

This section asked about the user experience at each of the Lansing Town parks. Questions asked about park visitation, the types of activities patrons enjoy, how they travel to Lansing parks and if their children participate in any organized programs.

#### **Facilities**

The Facilities section included questions about the physical condition of Lansing Town parks and if there are any barriers to accessing the park facilities.

#### **Program Experience**

This section allowed survey responders to provide feedback about recreational programs they have participated in, rate the programs and suggest any improvements.

#### **Park Specific**

The Park Specific section asked questions about each individual park in the Lansing Park system to provide feedback about challenges, opportunities, activities they participate in and suggestions for the future. The parks in this section included Myers Park, Ludlowville Park, Town Ball Fields, Town Barn Fields, Salt Point, Town Center Trail, and the Bell Station Property (North of power plant). Participants could skip questions for those parks they do not visit.

#### **Suggestions for the Future**

The last question was an open-ended option for people to note any additional ideas for the Lansing Town parks and recreational facilities, services or programming in the future.

| #  | IF YES, PLEASE DESCRIBE   | DATE                |
|----|---|---------------------|
| 1  | My family feels unsafe visiting the town ball parks, there are several times we have left, especially down in the back end due to loitering of suspicious individuals   | 12/9/2020 6:35 AM   |
| 2  | When it is rainy or has rained, the trail is pretty bad to walk through.  | 12/1/2020 2:00 PM   |
| 3  | Had emergency situation at Salt point. Need emergency blue light access points. Cell phone access is is poor or not available. Person was down in a non visible area. Response time hampered by above. Also guard gate In place. Had to manually carry person to exit.  | 11/29/2020 1:19 PM  |
| 1  | Summer camps do not include supports for children with disabilities. Same with rec sports. It would be great to incorporate some way to train teens who need or want to work as well as give them opportunities to be around and include the disabled in our community. | 11/21/2020 8:02 AM  |
| 5  | Sometimes, lack of snow removal at Myers. I use this park year-round for safe off-road walking. I understand there are greater needs of Town resources when there is a lot of snow.   | 11/19/2020 8:45 AM  |
| 6  | The access gap in the concrete barriers at Salt Point is too small to get my hand-wheeled cart for duck decoys, etc. through.   | 11/17/2020 6:11 PM  |
| 7  | I don't have difficulty walking   | 11/17/2020 3:09 PM  |
| 3  | This summer Myers was too crowded due to Covid for me to feel safe except for a odd hours   | 11/17/2020 2:00 PM  |
| 9  | All the ridiculous barriers at salt point   | 11/17/2020 1:20 PM  |
| LO | hunting   | 11/17/2020 11:09 AM |
| 11 | I would like to be able to walk safely to these areas. Have you tried to walk to the Lansing Center Trail safely? We should have ways to walk between neighborhoods that do not require walking next to 18 wheelers!  | 11/17/2020 9:17 AM  |
| 12 | Unplowed parking lot  | 11/17/2020 7:12 AM  |
| L3 | hunting closure   | 11/13/2020 2:38 PM  |
| 14 | Concerned about hunting at Salt Point. Safe to walk?  | 11/10/2020 5:36 AM  |
| 15 | Unleashed dogs  | 11/9/2020 5:57 PM   |
| 16 | Having to check in at Myers in the summer just to check the spit for birds makes me go there less often than I might otherwise. I feel like I shouldn't be there, even though they are always very nice and wave me through.  | 11/9/2020 5:02 PM   |
| 17 | Just during hunting season at Salt Point.   | 11/9/2020 2:50 PM   |
| 18 | Deer hunting at Salt Point during winter months. Overcrowding and disruption to birds and wildlife at Myers Point, especially by walkers and dog walkers disturbing birds on the spit.  | 11/9/2020 12:10 PM  |
| 19 | I think there could be better signage or promotion of where the parks are located in Lansing.<br>We sort of stumbled upon them or learned about them through word of mouth when we first<br>moved to Lansing over 10 years ago.   | 10/20/2020 11:04 PM |
| 20 | difficult to safely access most parks by walking or biking. no pedestrian paths or bike trails to connect residential with parks. safe travel to parks generally requires a car.  | 10/19/2020 12:02 PM |
| 21 | The water drainage at the Lansing trails.   | 10/17/2020 7:37 AM  |
| 22 | Sometimes dogs not leashed in salt point.   | 10/16/2020 8:58 AM  |
| 23 | Access to parks generally only by vehicle along busy roads. Very limited bike access and almost no trails or paths open to bikes. Salt point boat access gets overcrowded.  | 10/14/2020 3:06 PM  |
| 24 | Congested traffic   | 10/14/2020 2:04 PM  |
| 25 | Often overcrowded this summer at Salt Point and sometimes at Myer's park  | 10/11/2020 11:39 PM |
| 26 | Obnoxious people ordering people about saying they were in charge and this or that person violated this or that rule  | 10/10/2020 7:56 AM  |
| 27 | Dogs off leash at Salt Point! It's rampant.   | 10/9/2020 10:46 PM  |
| 28 | No/dirty bathrooms  | 10/9/2020 3:19 PM   |
| 29 | Salt point is closed from October to December which is not helpful for the many walkers that use it. Not many people hunt there so I think it should be open to the plentiful walkers instead   | 10/9/2020 10:05 AM  |

|    | of the hunters.   |                    |
|----|---|--------------------|
| 30 | We live near Salt Point and go there (hiking, walking, running, biking) every day. The fact that it is closed due to hunting from Oct 2 - December 22 is a huge inconvenience and loss for our family. It does not feel safe to be there since hunting is allowed.  | 10/8/2020 10:15 AM |
| 31 | Allowing hunting at Salt Point makes it dangerous to walk on trails or be near Salt Point during hunting season. I even avoid Myers during hunting season for this reason.  | 10/7/2020 5:18 PM  |
| 32 | The town trails have been disrupted by construction.  | 10/7/2020 3:15 PM  |
| 33 | The only barrier is that in the summer Salt Point is overrun with non-residents who don't want to pay to access Myers Park. It's difficult to find space to launch watercraft and the trails and parking areas are very crowded.  | 10/7/2020 9:11 AM  |
| 34 | Camping is really hard to book, and people are allowed to use the sites for far too long. I'd like to see a window each spring dedicated for Lansing Town residents/taxpayers to get priority booking. We do not have enough campsites to allow for full season use, so please consider a max of 2 weeks each season by a single user.  | 10/7/2020 8:44 AM  |
| 35 | boat launch at Salt Point frequently blocked by inebriated revelers on weekends; portion of Lansing Town Trail closed due to huntinghow can anyone hunt in such a small area that is closed off?  | 10/7/2020 7:17 AM  |
| 36 | Myers park too crowded. Lansing fields- basketball court next to playground and people playing obscene music- had to take kids home   | 10/6/2020 9:17 PM  |
| 37 | Lansing center trail closures for hunting season.   | 10/6/2020 9:05 PM  |
| 38 | Hunting season!!!!  | 10/6/2020 6:13 PM  |
| 39 | most areas are not wheelchair suitable, ludloville is not, the new pier at meyers is not (yet), the drive way at meyers has summer bumps ect - many of the gravel roads should be converted to provide wheelchair access, some simple changes would help a lot IMO - focus on Meyers Park for now.  | 10/6/2020 5:12 PM  |
| 40 | Lack of wheelchair access   | 10/6/2020 5:02 PM  |
| 41 | Salt point needs port a potties. There should be year-round port a potties in all parks.  | 10/6/2020 3:53 PM  |
| 42 | Lansing Center Trail gets super muddy and prohibits use for my family for much of the year (also lots of dog poo).  | 10/6/2020 3:46 PM  |
| 43 | Construction  | 10/6/2020 3:26 PM  |
| 44 | Salt point is closed during hunting season  | 10/6/2020 3:19 PM  |
| 45 | Weekend crowds/large alcohol consumption at Myers in the summer; large groups @ Salt Point summers. Lots and lots of garbage is left behind by many of those users.   | 10/6/2020 2:58 PM  |
| 46 | Last winter there were times we couldn't access the park to walk.   | 10/6/2020 2:32 PM  |
| 47 | Timing of programs offered  | 10/6/2020 2:28 PM  |
| 48 | Nearly all facilities require access via route 34which is not safe for biking or walking, especially for families. We live very close to most of the town parks but almost always have to drive a vehicle to get there safely. Would live to see more interconnected trails and paths to access the parks and facilities.   | 10/6/2020 2:04 PM  |
| 49 | On occasion, there are people present who are visibly intoxicated. I've also encountered unattended childrenunder 10 at the playgrounds. I leave when they are unruly; I watch carefully when they mind their own business.   | 10/6/2020 2:02 PM  |
| 50 | Portion of nature trails blocked off for months during hunting season. Not sure why individual farmers/hunters get the right to close off public property to town citizens, particularly during an extended time of year when options for outdoor exercise are severely limited, and when farmers already own land where they can hunt. Also not comfortable with no buffer zone between hunters and park trails because of this. | 10/6/2020 2:01 PM  |
| 51 | Ludlowville Park is too busy now  | 10/6/2020 2:00 PM  |
| 52 | Public transportation would make it easier.   | 10/6/2020 1:57 PM  |
| 53 | Feeling unsafe when I am by myself.   | 10/6/2020 1:55 PM  |
| 54 | Have found drug paraphernalia on the ball fields lately.  | 10/6/2020 1:54 PM  |

| 56        | Myers park playground is difficult to take all 3 of my kids because of the dangerous double entrance (parking lot or marina) and not being able to see both entrances from the same spot                          | 10/6/2020 9:51 AM  |
|-----------|---|--------------------|
| <b>F7</b> |   |                    |
| 57        | Hunting in both Center Trail and Salt Point   | 10/6/2020 9:05 AM  |
| 58        | The Lasning Town park would be best to continue to build its softball and baseball program.   | 10/5/2020 8:28 PM  |
| 59        | Need more parking at salt point   | 10/5/2020 1:46 PM  |
| 60        | Difficult to walk at Myers and Salt point in winter when main roadways are icy. I understand salt point trails not being cleared but feel roads should be cleared and salted.                                     | 10/5/2020 11:30 AM |
| 61        | Closer of portions of Lansing Center trail for hunting season   | 10/5/2020 10:53 AM |
| 62        | They are overcrowded by people who are not from Lansing.  | 10/4/2020 5:23 PM  |
| 63        | Salt point boat launch was often overrun with people setting their chairs up so that you either couldn't access the boat launch or the people had to move. Poor attitudes by those people when asked to make room | 10/4/2020 4:57 PM  |
| 64        | need more transient dockage, so people can boat to events and concerts and tie up their boat to enjoy the event.  | 10/4/2020 11:16 AM |
| 65        | Speed Bumps   | 10/3/2020 12:46 PM |
| 66        | Fees at entrance  | 10/2/2020 9:51 PM  |
| 67        | A couple of times the gate to Salt Point has been closed but we go pretty early so that is to be expected. We walk from Myers to Salt Point so we just go under the gate. :)                                      | 10/2/2020 4:57 PM  |

| #  | RESPONSES  | DATE                |
|----|--|---------------------|
| 1  | More variety, better supervision   | 12/15/2020 9:32 AM  |
| 2  | The camping registration for spots/dates available is not user friendly. I also camped and needed someone while I was camping, called the number and emailed an individual about a concern and no one responded to either, not even days later   | 12/9/2020 6:37 AM   |
| 3  | I haven't gone places because of virus. I answered survey because I thought it was going to be about the little tiny parks in the Village of Lansing,  | 12/4/2020 4:53 PM   |
| 4  | I think Lansing is doing a good job on their recreational programs, and encourage even greater efforts in areas that are of community interest. I'd personally like to see a steady attention to building a trail network.   | 12/3/2020 10:26 AM  |
| 5  | Na   | 12/1/2020 6:54 PM   |
| 6  | Security call boxes salt point, Myers, trails, ball fields Not everyone has a cell phone and cannot call for emergencies   | 11/29/2020 1:26 PM  |
| 7  | I wish there were more programs available for early teens (7-9th graders).   | 11/24/2020 1:30 PM  |
| 8  | I would like to see more creative programs for children of all ages (i.e. 3-18 years old). I believe the theatre arts aren't represented enough (plays/acts for children. Additionally, I think there could be creative cooking and/or baking classes along with real-world activities/classes for children. | 11/24/2020 10:09 AM |
| 9  | Overall, it's been a good experience. The last time my daughter participated in softball, it was a bit of disaster because there were 20 girls on a team.  | 11/24/2020 9:12 AM  |
| 10 | Some sort of training/guidance for rec coaches especially. This is a volunteer role but many volunteers have no clue how to work with children and that this is not professional sports. Guidance or basic training might encourage more parents to volunteer while also maybe toning down the overzealous.  | 11/21/2020 8:07 AM  |
| 11 | Increase the number of town trails, investigate abandonment of rail line for possible rail trail, improve drainage on town trail across from town hall.  | 11/17/2020 3:11 PM  |
| 12 | I would really like to see more walking trails, especially longer ones, in Lansing. If the Bell Station property is ever sold to NYS that would be awesome.  | 11/17/2020 2:03 PM  |
| 13 | We should do everything to keep the Town Trail in good shape; It would be nice to have tennis courts, but not as important as the Town Trail   | 11/17/2020 2:01 PM  |
| 14 | More sports and activities for babies, toddlers, preschool   | 11/17/2020 1:23 PM  |
| 15 | keep Salt Point open for walking and not hunting   | 11/17/2020 11:10 AM |
| 16 | NA   | 11/17/2020 10:09 AM |
| 17 | Scheduling in evening hours so working people can participate  | 11/17/2020 9:35 AM  |
| 18 | We are sooo far behind in providing connected walkways! Walking is the easiest way for all ages to get out, walk, bike, skate, run etc! no program needed, just friends and walkways!  | 11/17/2020 9:23 AM  |
| 19 | Offer more adult programs  | 11/17/2020 7:13 AM  |
| 20 | The improvements (trails, plantings etc.) at Salt Point have made that a very special place, although it gets a bit crowded on pleasant summer days. Still, it is a special resource if like to get out and enjoy nature along the lake. Keep it natural!  | 11/16/2020 11:59 AM |
| 21 | More attention to physical fitness for older adults, walking groups, pickleball courts, etc  | 11/9/2020 10:22 PM  |
| 22 | None   | 11/9/2020 8:09 PM   |
| 23 | An easily accessible community birdfeeder  | 11/9/2020 2:56 PM   |
| 24 | -  | 11/9/2020 1:58 PM   |
| 25 | More birding!  | 11/9/2020 12:49 PM  |
| 26 | None   | 11/9/2020 12:42 PM  |
| 27 | you are doing a great job  | 11/9/2020 11:58 AM  |
| 28 | I would actually love to see the fireworks display moved away from Salt Point (maybe the ball fields would be ok). In 2020, for the first time, I did not have anxious dogs or Osprey to worry   | 11/9/2020 10:46 AM  |

about, and the road to my house wasn't closed to traffic. In addition to the negative effects of fireworks on wildlife, the noise is very unpleasant to some people, especially dog owners.

|    | meworks on whome, the holde is very unpreusant to some people, especially dog owners.  |                     |
|----|--|---------------------|
| 29 | I have gone to the jonah's falls and wondered way Lansing in not promoting or taking care of these beautiful hiking trails, as it has in the past. Please add Jonah's falls to the parks and recreations. Hundreds of people hike this trail last summer, it needs maintenance and care from the town. Thank you.        | 10/29/2020 12:07 PM |
| 30 | Continue to improve the website for signing up for programs.   | 10/20/2020 11:07 PM |
| 31 | Do not allow hunting in any of the town parks.   | 10/19/2020 8:54 PM  |
| 32 | Continue to fund and grow these valuable community programs and parks. More town staff to support programs. Less commercial land development in the town of Lansing.   | 10/19/2020 12:04 PM |
| 33 | ?  | 10/19/2020 11:26 AM |
| 34 | I am pleased with what I have seen and encountered so far.   | 10/19/2020 11:06 AM |
| 35 | Make Blackchin Overlook Parking area more clear to what you are parking for  | 10/16/2020 9:01 AM  |
| 36 | None it's a great program  | 10/14/2020 6:27 PM  |
| 37 | Please continue to support these important community programs.   | 10/14/2020 3:08 PM  |
| 38 | Start having them again.   | 10/12/2020 8:46 AM  |
| 39 | In some years coaches for rec soccer haven't been good, but mostly our experiences have been positive. Maybe a bit more coach training and supervision.  | 10/11/2020 11:43 PM |
| 40 | Side/trails between parks and facilties  | 10/11/2020 6:10 AM  |
| 41 | Smaller more targeted surveys.   | 10/10/2020 7:59 AM  |
| 42 | Provide bus service for ski club, more art classes for children. More classes and programs for adults ( hardly any adult classes)  | 10/10/2020 7:41 AM  |
| 43 | Maybe email blasts or something. I never hear about them. I am in the village of lansing.  | 10/9/2020 9:54 PM   |
| 44 | None   | 10/9/2020 7:45 PM   |
| 45 | The programs themselves are exceptional and most are well managed. However, the planning and communication skills for some of the sport coaches could be greatly improved. Some things are put together hastily at the last minute, other times we have not been on the email list after repeated requests to get added. | 10/9/2020 3:53 PM   |
| 46 | Continued improvement to the online sign up.   | 10/8/2020 3:40 PM   |
| 47 | N/A  | 10/8/2020 2:16 PM   |
| 48 | I love all of the programs offered and that they are affordable for families. The parks<br>department and outdoor spaces has made our experience living in Lansing, NY to be<br>outstanding and extremely beneficial in cultivating a love and appreciation of the outdoors in<br>my children.                           | 10/8/2020 10:17 AM  |
| 49 | The website could be more user friendly. The new sign up system is clunky.   | 10/7/2020 6:23 PM   |
| 50 | Coaches could be more inclusive. There is a real cliquish feel and perception that the "sporty" families' kids get preferential treatment.   | 10/7/2020 5:21 PM   |
| 51 | The variety is really amazing. Maybe more evening options?   | 10/7/2020 3:16 PM   |
| 52 | Overall really fun, but my son was so new to the program, he didn't get much of an intro to soccer before being thrown into a game.  | 10/7/2020 12:53 PM  |
| 53 | Try to diversify. I know it's harder because the teaching/adult needs to be found. But soccer, basketball, base/softball are pretty limited. Also nothing for teens.   | 10/7/2020 12:44 PM  |
| 54 | Better organization  | 10/7/2020 9:55 AM   |

|    | of seeweed and muck and looks as if no one takes any time or effort into cleaning beach area<br>up. it's too bad bc of the draw Myers park has -with it being only public and allowable<br>swimming area on this side of lake; it just looks unappealing and often it's empty and life<br>guards reading books or Phones. Only seeing them "work" when needing To tell others<br>swimming in other areas to only Swim in very small roped off area that has the most muck,<br>seeweeed and polluted (unclean , murky, with a film or pollutants that are noticeable and<br>uninviting and Then deterring folks coming to swim from doing that. Also no need to fund And<br>budget the expense needed for life guards(more than 1sometimes) if no effort/work /investment<br>put in necessary to draw in and maintain interest and folks choosing to swim there Few to no<br>resources nor staffing put into grounds and maintenance overall outside of basic mowing )<br>Playground equipment stays broken for entire seasons and beyond |  |
| 3  | We need a dog park, or somewhere safe to take dogs to play or walk your dogs - Better police patrol there, More camping spaces - the internet is not good for people camping. The bathrooms need to be revamped and kept clean - The availability of fairness for camps - why soccer, no football? Soccer, but no cheerleading -Better camping registration system.  | 12/9/2020 6:41 AM                        |

| 9  | The bathrooms need a lot of improvement. It would be nice to have permanent facilities closer to the camp area, too. During events/concerts, specifically, they are disgusting.  | 11/24/2020 9:14 AM                       |

| 57 | Maybe a little more supervision or oversight on weekends.   | 10/8/2020 10:51 AM  |
| 58 | It would be wonderful if the soccer field could be available throughout the spring and summer.<br>The swimming area at Myers Park is always very murky and not the most ideal place to swim.  | 10/8/2020 10:19 AM  |

A permanent food concession stand (Similar to Taughannock) would be amazing in the

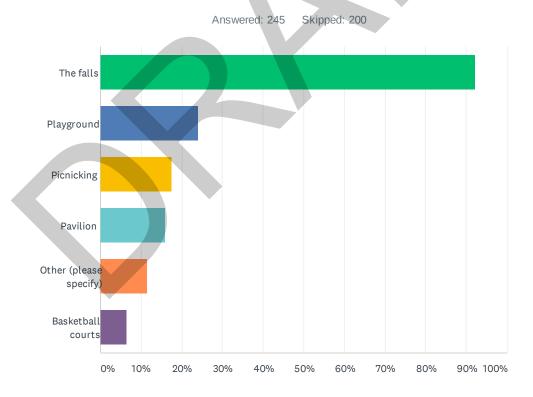

summer! 59 public restroom needs to be improved and be cleaner 10/8/2020 8:15 AM 60 Holding tank at campsites for full hook up option. 10/7/2020 9:15 PM 61 Improve the beach area. For such a beautiful park the beach area is disappointing. Cleanliness 10/7/2020 6:26 PM is an issue - goose droppings, small swim area and bathroom cleanliness can all be improved. Pick up trash along waterfront. 62 A better dock for launching kayaks/canoes 10/7/2020 3:59 PM 10/7/2020 3:17 PM 63 The swimming area is really pretty awful. Dirty, small, unpleasant. 10/7/2020 1:03 PM 64 More kayak storage 65 Designated walking path where cars can't drive. Having it connected along railroad tracks, 10/7/2020 12:46 PM connecting to the Salt Point waking path would be amazing and huge benefit to the community! 66 Teens seem to be vandalizing the park, also drug use there. There is no one on call to report 10/7/2020 9:56 AM things to when activities are happening. Cleaner bathrooms. Park monitors that aren't screaming profanities. Someone that monitors 67 10/7/2020 9:40 AM the park for safety with boating, illegal drug use, unsupervised children. Improve pole mounted lighting for boats coming into marina at night. Stairs from Salt Point 10/7/2020 9:11 AM 68 parking lot to beach. 10/7/2020 8:13 AM 69 New restrooms facility. disc golf (?) 10/7/2020 7:19 AM 70 71 Splash pad 10/7/2020 6:22 AM 10/6/2020 10:47 PM 72 More kayak storage rental spaces You need to put limit on number of people. This summer was unsafe (covid) and frankly not fun 10/6/2020 9:18 PM 73 with so many people. Need some rules about noise 74 Tennis courts would be nice. 10/6/2020 9:16 PM Would be great to have upgraded bathrooms. 75 10/6/2020 9:15 PM 76 None. Myers is an amazing resource for the residents. It feels like a state park just for us. 10/6/2020 8:07 PM 77 See above 10/6/2020 6:14 PM 78 Have a concession stand during summer 10/6/2020 6:13 PM 79 walk way separate from drive way, keeping cars out of the lake side of the park to allow larger 10/6/2020 5:15 PM kids play zone, outdoor fitness stations in a circle would be great 80 Another bathroom facility. Lightning around the park roads. Larger stage for music and 10/6/2020 5:06 PM entertainment events. Better and bigger bathroom facilities. More lighting on the main entrance road to marina 10/6/2020 4:26 PM 81 82 Playground repairs 10/6/2020 4:15 PM 10/6/2020 3:59 PM 83 Better/ cleaner swimming area, better walking: biking trails, bigger boat dock, concession area. Overall cleaner and more beautiful park. Even Taughannock Park is more appealing. Make Myers even better. 84 Docks need help. Parking for vehicle and trailers is a mess and you need more space. The hut 10/6/2020 3:56 PM for fishing supplies take up 4 of the trailer slots move it! You didn't replace them. The attendants don't help when there is much congestion down there with boats launching. 85 Year round toilets! 10/6/2020 3:55 PM 86 More kayak spaces 10/6/2020 3:37 PM 87 Upgraded bathroom and concession stand. 10/6/2020 3:09 PM 10/6/2020 2:59 PM Would love to see kayaking and paddle boards less expensive. 88 89 Washroom cleanliness could improve. Alcohol consumption sees excessive most nice 10/6/2020 2:59 PM

weekends.

| 90  | Marina - facilities are nice but the slip price is too high for Lansing Town residents. We've been priced out. The difference between residents and non residents is too little.   | 10/6/2020 2:46 PM  |

| 96  | Horse Shoe Availability Maybe? Cheaper drinks in machines. Maybe some fire pits?   | 10/6/2020 2:18 PM  |
| 97  | Maintaining a clean beach area seems to always be a challengefrom trash, debris in the water, and incessant goose poop. Would love to see more strategies to deter geese from the park waterfront.   | 10/6/2020 2:09 PM  |
| 98  | I have noticed that the population at the park has changed. I observed people using drugs and not using sanitary precautions several times this summer. This is a new issue. The park may need to be patrolled more oftenmainly Salt Point | 10/6/2020 2:06 PM  |
| 99  | Clean it up some around the water  | 10/6/2020 2:06 PM  |
| 100 | none- I don't know what to suggest for other people's unattended children.   | 10/6/2020 2:04 PM  |
| 101 | Please create a road bike trail  | 10/6/2020 2:01 PM  |
| 102 | Major improvements to bathroom facilities; have more food vendors.   | 10/6/2020 2:01 PM  |
| 103 | More kayak rental space  | 10/6/2020 2:00 PM  |
| 104 | Better basketball hoops.   | 10/6/2020 2:00 PM  |
| 105 | More boat slips!   | 10/6/2020 1:59 PM  |
| 106 | The bathrooms are usually a mess.  | 10/6/2020 1:58 PM  |
| 107 | More boating slips.  | 10/6/2020 1:57 PM  |
| 108 | Swimmers sometimes use the boat launch (wooden/floating) as their personal suntan deck.<br>Would be good to put up a sign pointing out that kayakers/canoers have first priority there.  | 10/6/2020 1:57 PM  |
| 109 | cleaner bathrooms, sprayground or miniature golf course  | 10/6/2020 1:56 PM  |
| 110 | Bathroom improvements?   | 10/6/2020 10:46 AM |
| 111 | Concessions would be great!  | 10/6/2020 9:57 AM  |
| 112 | I'm not sure how to do it but safer entrances for playground as there are 2 open entrances you cant see from 1 spot that lead to parking lot or marina. I can only take my kids there to play if I have another adult due to this.         | 10/6/2020 9:53 AM  |
| 113 | Clean up debris at waters edge   | 10/6/2020 9:00 AM  |
| 114 | Myers is great and the drive through carnival food this weekend was great. More food and fun events. This area is big for food.  | 10/5/2020 8:35 PM  |
| 115 | None.  | 10/5/2020 1:47 PM  |
| 116 | Additional bathrooms & better cleanliness & maintenance of current bathrooms is a must!!   | 10/5/2020 12:23 PM |
| 117 | This summer there was a very serious lack of police presence at Myers Park and especially at Salt Point. The lack of police presence on the lake near those areas was alarming as well. I witnessed numerous dangerous incidents.          | 10/5/2020 11:35 AM |
| 118 | I wish there were designating walking areas/loops that were not shared with cars/traffic that made it safer for children especially walking or on bikes.   | 10/5/2020 11:28 AM |
| 119 | The bathrooms need improvements. It would be nice to have some closer to the camping area, as well.  | 10/5/2020 11:19 AM |
| 120 | Pedestrian bridge between Myers Park and Salt Point  | 10/5/2020 10:55 AM |
| 121 | Move the swimming area back to former location, closer to the lighthouse. The water is too murky in current location. I stopped swimming there due to this.  | 10/5/2020 9:42 AM  |

| 122 | Keep shoreline cleaner around the elating dock on Salmon Creek. People leave trash behind.   | 10/4/2020 8:05 PM  |
|-----|--|--------------------|
| 123 | Improvement to aesthetics on ground around lighthouse  | 10/4/2020 6:57 PM  |
| 124 | seems good!  | 10/4/2020 5:39 PM  |
| 125 | There has been a large push to bring people from other areas and it is ruining it for our community. There is more crime, litter, and drug use. Please charge them more. It is not worth it to our community.  | 10/4/2020 5:26 PM  |
| 126 | Deeper swimming area, beach being raked more frequently  | 10/4/2020 4:58 PM  |
| 127 | More birding trails  | 10/4/2020 3:08 PM  |
| 128 | Keeping the shoreline cleaned up. Have encountered glass bottles floating and lots of trash/muck at the edge where we put the Sunfish and kayaks in  | 10/4/2020 1:08 PM  |
| 129 | More transient dockage so that we can boat to the park, dock our boat, and attend the concerts and events, there's almost nowhere to tie up a boat now for an hour or two  | 10/4/2020 11:18 AM |
| 130 | better food and cleaner bathrooms  | 10/3/2020 6:27 PM  |
| 131 | Bathroom facilities could improve.   | 10/3/2020 4:08 PM  |
| 132 | The swimming area is really too shallow to allow for an adult to work out at all in the water. One can't even tread water while watching a child in the water.   | 10/2/2020 9:53 PM  |
| 133 | More places to walk  | 10/2/2020 7:37 PM  |
| 134 | The bath rooms could stand to be upgraded. We don't camp at Myers because it is so hard to get a spot but if we did having a bath house for the camping area would be nice. And full hook-ups for the sites are expected by a lot of campers these days. | 10/2/2020 4:59 PM  |

| 1                    | as much as i understand why the town may not want to improve the trail to the falls, it would<br>be nice. People are going to use it no matter what. Maintain the swimming area once a year by<br>moving dangerous spring logs and maybe making a slightly more accessible entry to the water.   | 12/15/2020 8:20 PM                       |
| 2                    | There needs to be a safe pathway for individuals to get down to the water. People go down all the time and there is no safe way.   | 12/9/2020 6:42 AM                        |

| 13                   | Removal of invasive plants, some improvements and maintenance of the informal path that leads to the falls as it gets trashed (ie erosion and litter both). It has become very popular in the last 5 or so years so much so that as a resident of Ludlowville I don't go there except 7-9 in the morning in the summer. I would love to see the park being for Lansing residents and I don't have ideas of how that could be done effectively. If improvements or changes are being planned for the Park, please alert/get input from Ludlowville residents. A few years ago the Town ripped up a bunch of planting the neighbors had paid for, put in and tended. We mulch, we officially do a trash clean up a couple of times a year even figuring out how to do with social distancing this spring. If you inform us, involve us, we will be your allies. During the summer I go there a couple times a week and pick up trash. Thank you for having a trash can at the pavillion. | 11/17/2020 2:18 PM                       |

| 2                    | No hunting! This park is used for walking and nature trail. Hunting in this small and heavily trafficked area is an accident waiting to happen.   | 12/8/2020 9:37 AM                        |
| 3                    | I would encourage it to be allowed to grow more completely wild, and then to cut a few more narrow trails winding through the more grown up flora. I wouldn't mow much if any of it, so as to allow it to be as close to wild (un-managed) as possible.   | 12/2/2020 2:36 PM                        |

| 7                    | Do as little as possible. Keep this natural and unspoiled and undeveloped. Amount of mowing currently done is just right. | 38 | I see many many people who walk the trails at Myers Park end it seems a shame to allow hunting for three months for just a few people. Hunting could be conducted sun up till 9 o'clock and 4 o'clock to sundown. Some people don't feel comfortable walking in the park at all when there is hunting.  | 10/15/2020 10:09 PM |

| 41 | It would be nice to have bathrooms with running water, and to expand the picnic area. I really enjoy walking at salt point and I like the improvements/the way it's really been cleaned up. However, I will only walk at salt point if I am with other people. As a female, I do not feel safe walking there by myself. It's too secluded and there could be a wacko hiding in the bushes.                      | 10/12/2020 9:17 PM  |

| 45 | Enforce dogs on leash! Really hate that you can't drive right to the lakefront anymore. Ruined it for me  | 10/9/2020 10:49 PM  |
| 46 | I wish hunting was not allowed so we could enjoy the trails later into the fall   | 10/9/2020 3:54 PM   |
| 47 | Bathrooms. A dock to fish off of.   | 10/9/2020 3:28 PM   |
| 48 | Keeping it open to walkers instead of hunters in the winter   | 10/9/2020 10:07 AM  |

| 51 | Salt Point is so amazing and such a special place. I love that parking is limited and that cars cannot travel into the space. I would like to see hunting banned in this area so that families can safely use the space throughout the entire year. The fall and winter are amazing for Salt Point too!   | 10/8/2020 10:23 AM  |
| 52 | Love it! Maybe put down stone in the parking area. It gets muddy.   | 10/7/2020 6:29 PM   |
| 53 | Prohibit hunting, at least through October. Too dangerous and frankly, reckless. Injury/death and lawsuit against the town is just waiting to happen. Also, prohibit or limit jet skis to certain times—that goes for Myers too. SUCH a nuisance!!!   | 10/7/2020 5:26 PM   |
| 54 | Really a wonderful facility. Thank you!!!   | 10/7/2020 3:19 PM   |
| 55 | More seating!   | 10/7/2020 12:57 PM  |
| 56 | Bathrooms?  | 10/7/2020 12:54 PM  |
| 57 | Seems to always be messy- again teens are vandalizing this area   | 10/7/2020 9:59 AM   |
| 58 | Cleaner area-   | 10/7/2020 9:41 AM   |
| 59 | As stated previously, the only issue I have experienced with Salt Point is that it is completely overrun in the summer with folks who do not want to pay to access Myers Park. It's difficult to find parking, space to launch watercraft, and the trails can be crowded. The amount of un-<br>lifeguarded swimming that happens there is also pretty alarming as there is a guarded beach right over at Myers. | 10/7/2020 9:16 AM   |
| 60 | keeping the shoreline clean of waste  | 10/7/2020 8:27 AM   |
| 61 | more restrictions on alcoholic beverages. There are many drunk people during the summer   | 10/7/2020 7:20 AM   |

| 62 | Again, start to limit number as the overcrowding makes it unpleasant for everyone   | 10/6/2020 9:20 PM  |

| 63 | Trails are nice. Glad hunting is allowed.   | 10/6/2020 9:19 PM  |
| 64 | More information on the International Salt Company.   | 10/6/2020 7:31 PM  |
| 65 | disallow boating access and picnic, change to a nature walk area only   | 10/6/2020 5:18 PM  |
| 66 | Pavilion and a few docks in the lake would be helpful.  | 10/6/2020 4:01 PM  |
| 67 | More walking / better access to walking in  | 10/6/2020 3:38 PM  |
| 68 | Outdoor Exercise stations or circuit area   | 10/6/2020 3:35 PM  |
| 69 | Lots of garbage accumulation  | 10/6/2020 3:20 PM  |
| 70 | Keep free to access   | 10/6/2020 3:17 PM  |
| 71 | Stop making excuses already about any improvements would need to require coordination with the NYSDEC. We didn't need to know that during this survey.  | 10/6/2020 3:11 PM  |
| 72 | Please keep Salt Point green! Please discourage massive parties/alcohol and trash. Please encourage people keep dogs on leash. How about hiring patrollers? Or asking people to volunteer?  | 10/6/2020 3:10 PM  |
| 73 | None  | 10/6/2020 2:34 PM  |

| 76 | Overcrowded at times with limited boat and swimming access that is in high demand. Trails are nice.   | 10/6/2020 2:12 PM  |
| 77 | Monitor for smoking and alcohol consumption. This has felt unsettling at times from both an environmental point of view as well as an avoidance of having to deal with another's intoxication with my children present.   | 10/6/2020 2:07 PM  |
| 78 | We love Salt Point!   | 10/6/2020 2:01 PM  |
| 79 | Bathrooms   | 10/6/2020 10:47 AM |
| 80 | Don't appreciate hunting being allowed especially during peak walking seasons like the fall foliage peak  | 10/6/2020 9:08 AM  |

| 82 | Needs more parking  | 10/5/2020 1:48 PM  |
| 83 | None  | 10/5/2020 12:25 PM |
| 84 | Police presence in summer. Dangerous and illegal incidents occurring. I would love to see a pedestrian bridge over Salmon Creek to connect to Myers making it more accessible to visitors. Parking areas need to be larger and more defined   | 10/5/2020 11:39 AM |
| 85 | A restroom  | 10/5/2020 11:29 AM |
| 86 | replace stone barriers along trail by boat launch with swing gate similar to entrance   | 10/5/2020 10:57 AM |
| 87 | More benches. Beautiful park  | 10/5/2020 9:44 AM  |
| 88 | Continue to help us manage the trash at Salt Point, especially on weekends.   | 10/4/2020 8:07 PM  |
| 89 | Gravel size on roadway makes it challenging to run on it not maintained in a while  | 10/4/2020 7:02 PM  |
| 90 | and coordination with Friends of Salt Point Ltd, which is doing an excellent job managing and maintaining Salt Point, along with the parks and rec staff! Salt Point doesn't need "improvement" in the usual "mowed park" sense of maintenance. it is a natural area and needs to stay bushy, weedy, with a long grass meadow and other natural features. It is for wildlife (as per the NYS DEC) and for people to enjoy more natural, bushy area and view birds and wildlife in a quiet manner. | 10/4/2020 5:45 PM  |
| 91 | Please stop closing it down for such a long time for hunting. There is a huge population of walkers and very few hunters.   | 10/4/2020 5:28 PM  |
| 92 | Very sketchy here this past summer. Don't feel safe on the weekends. This area should be patrolled better. Boat access was tricky with people sunbathing on the launch.   | 10/4/2020 5:05 PM  |
|    | pationed better. Boat access was theky with people subbathing of the faulter.   |                    |

| 94 | a spot to dock a boat would be nice, so could dock the boat and then walk around show salt point to visitors that are with us on the boat  | 10/4/2020 11:19 AM |
|----|--|--------------------|
| 95 | Improve access from the grass to the water   | 10/2/2020 9:55 PM  |
| 96 | Safer trails   | 10/2/2020 7:38 PM  |
| 97 | The trails are very nice since they have had the stone put down. We have noticed that those little stones tend to get into our sneakers though. Maybe a different type of finish on the trails? Also, if NYSDEC would allow it Lansing could get a great deal of revenue if they could charge to get into Salt Point as they do for Myers Park. It was packed there this summer. | 10/2/2020 5:02 PM  |

| 2  | Town should consider increasing and improving trail  | 12/15/2020 11:16 AM |
| 3  | We don't walk way in the back, no one is around if something went wrong  | 12/9/2020 6:46 AM   |

| 5  | Can't think of any   | 12/8/2020 1:00 PM   |
| 6  | No hunting. Again, an accident waiting to happen when walkers and hikers are present.  | 12/8/2020 9:38 AM   |
| 7  | I'm sure there are experts for ideas. I haven't been on the trail in a very long time.   | 12/4/2020 4:56 PM   |
| 8  | Restrooms, more parking  | 12/3/2020 11:06 AM  |
| 9  | Lansing has the opportunity to develop an extensive network of trails through spectacularly scenic countryside. The time to conceive a set of trails is now, before future development takes place.  | 12/3/2020 10:29 AM  |
| 10 | more extensive? interconnected? Perhaps a trail that runs from Salt Point/Myers Park, up all the way to Ludlowville, along the creek (at least part of the way, perhaps along the ridge for some). Then, up Dug rd to join with the other town center trails. Then other spurs, perhaps along old RR beds to other parts of town. If the existing railroad ever ceases operation (in whole or in part), I'd LOVE for those to be made rails to trails. | 12/2/2020 2:38 PM   |
| 11 | I wish all of the trails were open year round (instead of closing many of them during hunting season)  | 12/2/2020 12:28 PM  |
| 12 | We would definitely take advantage of more walking trails. It would be great if they were connected and could be accessed safely with sidewalks to the trails along major roads.   | 12/1/2020 2:47 PM   |

| 21 | The Lansing center trail was beautiful. It is disappointing to have lost this lovely peaceful space, it is not the same since all the development began. Expanding the trails further back from the new development would be great.  | 11/21/2020 8:12 AM  |
| 22 | I stopped using the trail when the area was developed. I couldn't figure out how to make a circle back to the parking area. The entrance to the parking area is scary because it is only one lane.   | 11/19/2020 9:15 AM  |

| 26 | some boardwalks in the wettest areas.  | 11/17/2020 2:22 PM  |
| 27 | Lots of improvements over the years; keep it up  | 11/17/2020 2:04 PM  |
| 28 | We were underwhelmed with these trails. Maybe great for walking dogs, but not exciting for hiking with so many other trails nearby.  | 11/17/2020 1:26 PM  |
| 29 | adding biking trails.  | 11/17/2020 11:23 AM |
| 30 | Better drainage to minimize muddy areas.   | 11/17/2020 9:45 AM  |
| 31 | Keep open during hunting. Hunting not allowed on Town Land anyway. Best views are closed during pretiest season!! signage to tell dog owners not to walk on ski trails or simply separate  | 11/17/2020 9:30 AM  |

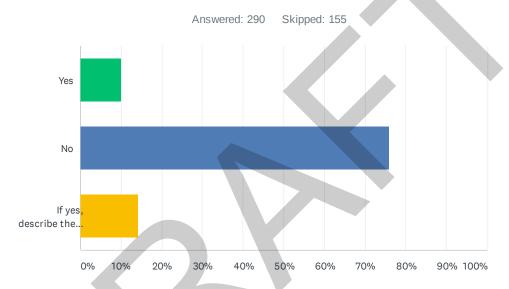

|    | during snow season.   |                     |
|----|---|---------------------|
| 32 | gravel over or build decking on the wet areas of the trails. I've lost boots in ankle deep mud<br>near the parking area. Too bad because the mud is a real barrier to the nicer parts of the trails.<br>We tend to go to Salt Point which has drier trails. I would love to have a fenced in off leash<br>dog park in Lansing!  | 11/17/2020 8:18 AM  |
| 33 | Plant trees   | 11/17/2020 7:17 AM  |
| 34 | The more trails in Lansing, the better quality of life for many people. People like going for walks/hikes, especially now a days!   | 11/16/2020 12:06 PM |
| 35 | Have a plan. Provide connections to other trails and destinations. Consider making trails multiuse so cyclists can use them.  | 11/16/2020 10:00 AM |
| 36 | Swaths can bog out in mud after rains and get very slippery—possibly board/rock/bridges for elevation/traction?   | 11/11/2020 4:49 AM  |
| 37 | Connections to the original plan to schools and to village  | 11/9/2020 10:27 PM  |
| 38 | Better marking  | 11/9/2020 8:11 PM   |
| 39 | The new apartment complex has distracted greatly. And then I see a sign that says "Phase 1" Please don't do any more building there.  | 11/9/2020 6:01 PM   |
| 10 | Better surface  | 11/9/2020 3:12 PM   |
| 41 | Better enforcement of dog walkers to pick up the poo.   | 11/9/2020 2:53 PM   |
| 12 | stop infringing on it with new apartments; take it further back if you can; plant more buffer trees/plans around the new apartments   | 11/9/2020 12:45 PM  |
| 43 | No more housing and business development. It ruins the natural value of the trails for hiking and scenic value.   | 11/9/2020 10:56 AM  |
| 44 | Any thing done in this area will encourage visits to our area.  | 11/6/2020 7:56 AM   |
| 45 | It could really benefit by providing more trees for shade. It can get very hot walking on the trails in the summer time because there is no shade. The paths could be more clearly marked so you know which loop you are taking.  | 10/20/2020 11:14 PM |
| 46 | some grading would improve the trails   | 10/19/2020 8:58 PM  |
| 47 | Town trails are really important to many residents. Please continue to expand opportunities for walking and biking paths, especially if they connect parks, schools, and other recreational trails. Maintain and grow Lansing rural and forest lands.   | 10/19/2020 12:16 PM |
| 48 | I can't think of any. I have only been on the trails a few times so can't really speak on needs for improvements. I don't go on them much because I worry about ticks getting on my dogs.   | 10/19/2020 11:10 AM |
| 49 | It would be great to have a trail the Lansing Cross Country team could use.   | 10/16/2020 9:18 PM  |
| 50 | level out surface   | 10/16/2020 9:05 AM  |
| 51 | Benches   | 10/15/2020 10:10 PM |
| 52 | N/a   | 10/14/2020 6:29 PM  |
| 53 | Would love to see the expansion of these trails, as well as attempts to connect them safely to the other town parks and fields via biking and walking trails. We would really appreciate opening the Town Center trails to bikes. Protect the land nearby the trails from further residential or commercial development. The trails will be less desirable the more that area is developed. | 10/14/2020 3:18 PM  |
| 54 | More bike trails in every capacity possible please!   | 10/12/2020 9:30 PM  |
| 55 | Bathrooms with running water! More trails!  | 10/12/2020 9:18 PM  |
| 56 | None.   | 10/12/2020 8:49 AM  |
| 57 | Sometimes can be very muddy, but this year has been great! More trails please!  | 10/11/2020 11:47 PM |
| 58 | Expand it to Conlon road.   | 10/11/2020 6:18 AM  |
| 59 | Businesses should expand the trails as a benefit for being there  | 10/9/2020 10:50 PM  |
| 60 | Walking through a field is really hot. Prefer walking through trails with trees.  | 10/9/2020 9:56 PM   |

| 61 | Intermediate info booths like the one about the railroad, but about wildlife or plants also more storybooks for children. After 2 or 3 miles, benches are good for taking a rest.   | 10/9/2020 7:51 PM  |
|----|---|--------------------|
| 62 | I don't know why the largest piece of the trail is closed for hunting season, I wish hunting was<br>not permitted in that area so we could enjoy all the trail later into the fall. A wider entrance into<br>the parking lot would be great so two cars can pull in and out at the same time.   | 10/9/2020 3:56 PM  |
| 63 | Bathrooms. More historical signs like the ones talking about the railroad history.  | 10/9/2020 3:34 PM  |
| 64 | I would love to see a 5k course that we could use to host school xc meets as well as fund raiser runs.  | 10/8/2020 3:43 PM  |
| 65 | None  | 10/8/2020 2:18 PM  |
| 66 | I love how natural the space is. I would love more trails for safe running since sidewalks are so limited in Lansing.   | 10/8/2020 10:24 AM |
| 67 | mark trails better  | 10/8/2020 8:17 AM  |
| 68 | We need to find a way for the cross country teams to use it again. It was the best course around if only for a year or two.   | 10/7/2020 6:39 PM  |
| 69 | Expand it. Improve access from the ball fields. Make a crosswalk area that is safer!  | 10/7/2020 6:31 PM  |
| 70 | Bathroom facilities and more parking  | 10/7/2020 4:02 PM  |
| 71 | Better drainage for the trails, improved surfaces, greater connectivity & signage.  | 10/7/2020 3:20 PM  |
| 72 | Have more trails!!!! Have nice, well manicured, marked off trails. There are hardly any in town. The bluebird meadows walking trail is greatly improved but having more is completely necessary. Especially right now! And include in the maps the distances of all trails. That way you can relax while walking and then tally up when done. | 10/7/2020 12:59 PM |
| 73 | Love the trail system, but maybe another somewhere else.  | 10/7/2020 12:55 PM |
| 74 | More trails further away from the road and the new housing development if at all possible! Love walking the dog there, it's one of his favorite places to walk (his second favorite being Salt Point!)  | 10/7/2020 9:17 AM  |
| 75 | Deal with muddy areas   | 10/6/2020 10:49 PM |
| 76 | An additional access from Conlin or Bower with a small parking lot would provide great access for several neighborhoods and keep traffic off of hwy 34. A few trees planted in the center of the open fields would add character and support more wildlife.   | 10/6/2020 9:26 PM  |
| 77 | Would love more sections in woods.  | 10/6/2020 9:17 PM  |
| 78 | Town Center trail is probably great for those who have trouble hiking the more interesting trails in our area, but I find its location and terrain boring. That said, I still value them.   | 10/6/2020 8:09 PM  |
| 79 | I recently started walking the trails and with the new housing development there, I don't feel safe walking the trails by myself  | 10/6/2020 8:08 PM  |
| 80 | A continuous trail from Myers Park through the school to the ball fields would be fantastic!  | 10/6/2020 7:34 PM  |
| 81 | More interesting paths, expanding to reach library and community center safely for kids (crosswalk). Add gravel paths for level biking  | 10/6/2020 6:26 PM  |
| 82 | Porta John  | 10/6/2020 6:15 PM  |
| 83 | Hard to say, its just a walkway in the fields, not much to see to make it interesting - plant trees to make a wood eventually maybe ?   | 10/6/2020 5:19 PM  |
| 84 | Trails/Paths leading to school  | 10/6/2020 4:42 PM  |
| 85 | Path maintenance that reduces tick exposure   | 10/6/2020 4:16 PM  |
| 86 | Sad that parts are closed for hunting.  | 10/6/2020 4:14 PM  |
| 87 | Mud control (wood chips?). Dog excrement depository stations along the way?   | 10/6/2020 3:49 PM  |
| 88 | Provide a Porta Potty; Widen the entrance to the parking area: it's not wide enough for a car to turn in at the same time as one is exiting.  | 10/6/2020 3:46 PM  |
| 89 | Outdoor exercise stations Mileage markings (more) Benches   | 10/6/2020 3:40 PM  |
| 90 | Less housing around the trails - the trails are very unsafe right now.  | 10/6/2020 3:11 PM  |

| 91                                   | Ground is too bumpy in places and needs smoothing. Also better control of muddy areas - I appreciated the fix up near the condos and earlier construction   | 10/6/2020 3:08 PM   |
|--------------------------------------|---|---------------------|
| 92                                   | It would be great to connect Myers, Ludlowville and the Town Center with a trail. I know this was worked on many years ago. I believe this would be a great project to bring back.  | 10/6/2020 3:01 PM   |
| 93                                   | bike trails!  | 10/6/2020 2:43 PM   |
| 94                                   | Having a housing development in the middle is unattractive and unsafe, I'm not sure how to change this now, but it is terrible  | 10/6/2020 2:39 PM   |
| 95                                   | Longer, more "single track" trail through the woods if possible. As a runner it's nice to be under trees if it gets hot.  | 10/6/2020 2:26 PM   |
| 96                                   | Marked clearly for distance from the various starting places  | 10/6/2020 2:21 PM   |
| 97                                   | More trails through woods if possible   | 10/6/2020 2:20 PM   |
| 98                                   | So disappointed at the recent housing development here. Takes away much of the beauty that was the town trails and killed the potential to provide a great recreation trails system for residents. The town desperately needs a better public trail system and it's one of the few large gaps in Lansings recreation opportunities. Would also like to see development of trails that support bikes, not just foot traffic. | 10/6/2020 2:18 PM   |
| 99                                   | Signs are great. So are the spots to sit and rest. People are lazy and let their dogs poop anywhere. MANY times dogs are off leash which makes me uncomfortable for my kids and my dog on leash.  | 10/6/2020 2:17 PM   |
| 100                                  | Keep trails walkable year round, especially in the spring.  | 10/6/2020 2:12 PM   |
| 101                                  | Expand to bike trails and have bike rental option too   | 10/6/2020 2:11 PM   |
| 102                                  | Make them appropriate for both biking and walking.  | 10/6/2020 2:08 PM   |
| 103                                  | See previous comments re: closing off trails for hunting. Expanding the trails would be great, but please at least do not reduce the trail acreage any further.   | 10/6/2020 2:08 PM   |
| 104                                  | No sure if there is lighting by the parking area. If not, addition of lights on parking lot. More signage for patrons to respect private property boundaries and additional no trespassing signs. Possible fencing between trails and private properties where there are continued problems with trespassing.   | 10/6/2020 2:04 PM   |
| 105                                  | Add a road bike trail   | 10/6/2020 2:02 PM   |
| 106                                  | Better grading Throughout and improved drainage in some spots.  | 10/6/2020 2:02 PM   |
| 107                                  |   | 10/6/2020 2:00 PM   |
| 108                                  | Since it's been decreased in size and over run with the apartments I have not had the desire to return.   | 10/6/2020 1:59 PM   |
| 109                                  | Improved signage? Not always quite clear where boundaries are/when one is about to go off public property   | 10/6/2020 1:59 PM   |
| 110                                  | Slight grabbing improvements to clear tire ruts. Expansion would be great. Other than that, they're great   | 10/6/2020 1:55 PM   |
| 111                                  | Nothing, our family loves them!   | 10/6/2020 12:22 PM  |
| 112                                  | Cross country skiing and mountain biking would be great!  | 10/6/2020 9:58 AM   |
| 113                                  | We love the trails and the story walk and walking in the woods. It gets hot on the main trails in the summer and the wooded trails are nice for our kids.   | 10/6/2020 9:55 AM   |
| 114                                  | Closing off the Shoemaker Loop for hunting was very disappointing.  | 10/6/2020 9:11 AM   |
|                                      | Bathroom facilities   | 10/6/2020 9:03 AM   |

| 115                                  | Don't have the most interesting landscape or scenery being basically out in a field. I don't know if there would be other locations suitable for trails   | 10/5/2020 1:57 PM   |

| 120 | Improvements in drainage. Stop the practice of closing back field for hunting  | 10/5/2020 10:58 AM |
|-----|--|--------------------|
| 121 | The trails are kept in excellent shape. Do not sell off any more land. This is a gem in the center of Lansing and promotes healthy outdoor activities.                                     | 10/5/2020 9:55 AM  |
| 122 | Great trails.  | 10/4/2020 8:07 PM  |
| 123 | Try to keep the trails and make some more. The recent buildings have taken away some more natural areas there.   | 10/4/2020 5:46 PM  |
| 124 | Expanded trails, cross country races, skiing rentals   | 10/4/2020 5:06 PM  |
| 125 | Mulching the trails so that there is less tick concern   | 10/4/2020 1:10 PM  |
| 126 | We have not been here in a couple of years because the last time we went there were several swampy areas we had to walk through. I have read that improvements have been made here though. | 10/2/2020 5:03 PM  |

| 3  | School. Walk between parks.  | 12/8/2020 9:38 AM   |
| 4  | If we could bike from Myers to Ithaca on the existing RR bed, that would be amazing.   | 12/2/2020 2:38 PM   |

| 10 | If there was a safe bike route to Ithaca, or even part way, I would bike to town more often. It there was a safer route for pedestrians between Ludlowville and Myers, I would talk to Myers more often. | 11/17/2020 2:22 PM  |
| 11 | Commute to the bus, bike to avoic dangerous roads like Tripahmmer and Hllcrest and Asbury.<br>Make Warren safer for bikes since it is likely most amenable to improvement.                               | 11/17/2020 9:30 AM  |
| 12 | Not working now and I live to far from town center   | 11/9/2020 10:27 PM  |

| 14 | From the school to the Community Center/ballfields   | 10/17/2020 7:41 AM  |
| 15 | We really need this! More safe ways to connect people with work, school, and parks through biking and walking trails and recreational paths.   | 10/14/2020 3:18 PM  |
| 16 | School, sports, exercise, etc.   | 10/11/2020 11:47 PM |
| 17 | It's a great idea, but practically speaking the distances are too great for commuting, and as the roads aren't always plowed well, wintertime it wouldn't be feasible.                                   | 10/9/2020 3:34 PM   |

| 28 | school   | 10/6/2020 4:42 PM   |
| 29 | My kids could bike to school if it were safer. A non-highway route would be amazing.   | 10/6/2020 3:59 PM   |
| 30 | I would walk and bike to the Town Center is a trail were provided.   | 10/6/2020 3:01 PM   |
| 31 | Yes, if we had them connecting parks and recreation areas, or that provided clear passage to the airport or mall areas.  | 10/6/2020 2:18 PM   |
| 32 | Getting to school safely would be neat but it's a tough state road.  | 10/6/2020 2:17 PM   |

| 39 | If I was still working, I would consider this idea.  | 10/4/2020 5:46 PM |
| 40 | Work   | 10/4/2020 5:06 PM |
| 41 | It would be great to be able to get to Myers Park using trails instead of having to drive there.   | 10/2/2020 5:03 PM |

No biking on hiking trails. Paddlecraft launch only if no business is allowed. No bait shop, no commercial enterprises. | 11/19/2020 9:23 AM  |

| 19 | Keep it as natural as it can be. This place is a wildlife/waterfowl hotspot due to the shallow ledges just offshore, and the woods and gorges are very special. So much of the lakeshore is privately owned. Public access will only become more valuable over time.                           | 11/16/2020 12:10 PM |

| 1  | Doing a great jobadd recycle containers at the town ball fields. Almost 100% of what is in the trash cans is always basic recyclables: cans, bottles, paper   | 12/15/2020 8:23 PM  |
| 2  | The trail system in Lansing should be expanded and connect to other areas and communities.<br>This would be positive for Lansing economic growth  | 12/15/2020 11:18 AM |
| 3  | Somewhere to walk your dogs, or dog play, park  | 12/9/2020 6:47 AM   |
| 4  | More walking trails, easy to get to from Buck Rd without having to drive. Skate park would be great too.  | 12/8/2020 2:33 PM   |
| 5  | Access for persons with disabilities.   | 12/8/2020 9:39 AM   |
| 6  | I don't really know what's happening now. Is there somewhere on the web I should be looking?<br>An email newsletter would be nice.  | 12/4/2020 4:58 PM   |
| 7  | A network of hiking trails.   | 12/3/2020 10:30 AM  |
| 8  | during the summertime i think there should be more cops driving around the parks  | 12/2/2020 8:36 PM   |
| 9  | Perhaps allow more of Myers Park to be "wild". Pursue rails to trails for the various (in use or otherwise) RR beds. interconnected trails are more interesting than discrete limited trails.   | 12/2/2020 2:41 PM   |
| 10 | More bike trails  | 12/2/2020 9:27 AM   |
| 11 | Just a dog park and potentially a kid play structure at locations where there aren't any.   | 12/1/2020 2:09 PM   |
| 12 | For distant parks drinking Water access, call boxes, with accessible response trails. Toilets and rest benches.   | 11/29/2020 1:37 PM  |
| 13 | The Rec program is a great asset to the town of lansing! THank you for all the work you do.   | 11/25/2020 7:43 PM  |
| 14 | We have some UNA's in town that would potentially be good locations for board walk trails. If the rail road land becomes available, a walking/biking trail from Ithaca to Bell Station would be fantastic.  | 11/24/2020 1:50 PM  |
| 15 | Would love, love, love a dog park! Barn fields area would be great. An area for larger dogs and for smaller dogs to run safely off-leash. Thank you for considering!  | 11/24/2020 9:17 AM  |
| 16 | emergency call boxes. Salt point signage is embarrassing for the town, small as it is, it's a great park and deserves permanent signage.  | 11/22/2020 9:22 AM  |
| 17 | The Town does a great job maintaining our parks. Thank you.   | 11/19/2020 9:24 AM  |
| 18 | You guys are great! We have young kids and easy access to Meyers Park/Ludlowville falls is one of the reasons we decided to buy a house in Lansing.   | 11/19/2020 5:19 AM  |
| 19 | Less barriers   | 11/17/2020 1:23 PM  |
| 20 | a bowling alley like Atlas in T-burg.   | 11/17/2020 11:24 AM |
| 21 | The parks have improved immensely during my 35+ years in Lansing. We are very fortunate to have them.   | 11/17/2020 9:47 AM  |
| 22 | Not sure why we have camping at Myers, many users are out of state. If we need revenue put a camping spot in a less precious place.   | 11/17/2020 9:34 AM  |
| 23 | The town does a great job with the parks. Would like to see the railroad right of way between Myers and the Power Station become a public trail.  | 11/17/2020 8:45 AM  |
| 24 | Having an outdoor public pool would be awesome  | 11/17/2020 8:31 AM  |
| 25 | DOG PARK!   | 11/17/2020 8:19 AM  |
| 26 | Rail to trail   | 11/17/2020 7:19 AM  |
| 27 | I wish that the town had NOT cut the beautiful, gigantic trees at Myers. What a HUGE loss for<br>our town. My family and I were so saddened when the town cut those trees. They were giant<br>trees that provided a lot of shade. Those trees were beautiful to see. They should NOT have<br>been cut down. I also think that campers should not display political signs or flags. People go<br>to the park to relax, not see the campers' political preferences. It is a public park. They can<br>display their preferences at HOME. | 11/16/2020 12:47 PM |
| 28 | Keep supporting the acquisition of the Bell Station land. It would definitely be a major resource for Lansing and visitors to Lansing. The value of natural areas (especially lakeshore) is only  | 11/16/2020 12:12 PM |

|    | going to become more important in the future  |                     |
|----|---|---------------------|
| 29 | Town parks could be the origin/destination points for a network of safe bicycle and pedestrian connecting facilities. People should be able to cycle and walk to parks.   | 11/16/2020 10:04 AM |
| 30 | Please keep kiteboarding access at Myers. I love kiteboarding and go to the park on average 3-4 days per week from April to October.  | 11/11/2020 12:34 PM |
| 31 | Work with the village of Lansing to make trail connections off road   | 11/9/2020 10:29 PM  |
| 32 | Plant more native trees/shrubs that provide food for birds  | 11/9/2020 8:52 PM   |
| 33 | Thanks for asking. These parks are quite a gift.  | 11/9/2020 7:11 PM   |
| 34 | More natural areas and habitat management for wildlife, less emphasis on park grooming, mowing, etc.  | 11/9/2020 12:15 PM  |
| 35 | Maybe more signage for keeping dogs on leash to avoid disturbance to wildlife? This has been only a minor issue but I occasionally encounter people with off-leash dogs that are not following the rules.   | 11/9/2020 11:41 AM  |
| 36 | Please continue to support and grow Lansing town parks, properties, and recreational programs. These things are important to a healthy community!   | 10/19/2020 12:18 PM |
| 37 | I look forward to the exercise classes and yoga classes resuming in the future when things will be safer.   | 10/19/2020 11:11 AM |
| 38 | More history markers in Salt Point and programs   | 10/16/2020 9:07 AM  |
| 39 | I think we have a beautiful wild area at Salt Point. It is an amazing example of what people working together can do. It would be great to have something like that at the power point site .   | 10/16/2020 7:35 AM  |
| 10 | Uniformed security guard  | 10/14/2020 10:24 PM |
| 1  | None  | 10/14/2020 6:30 PM  |
| 12 | Please continue to support and expand these important community resources. Parks, trails, and recreational programs are very important to the quality of life in Lansing. Limit commercial development near these spaces.   | 10/14/2020 3:20 PM  |
| 43 | More bike paths of all kinds - mountain biking (there aren't any near by), paved paths for children learning to ride (our roads are not safe because of auto traffic), or cinder/rail trails if no other good options, but cycling is increasing in popularity and Lansing is behind in offering cycling paths  | 10/12/2020 9:34 PM  |
| 14 | More hiking/walking, jogging, biking trails would be great  | 10/11/2020 11:48 PM |
| 5  | Sidewalks and trails connecting all recreational facilities.  | 10/11/2020 6:20 AM  |
| 6  | Having a dog park would be great!   | 10/10/2020 5:21 PM  |
| 7  | Food trucks at Myers would be great!  | 10/9/2020 10:51 PM  |
| 48 | Lansing could use a real amphitheater in the town park like 2x the size of the one at the elementary school, carved out to fit the Lansing Myers Park Road, but also so large you can see the lake through it. The teen kids like to hang out at the park beyond Myers, it would be great if there was an ice cream station down there, so they can swim and enjoy some foodinstead of going back and forth | 10/9/2020 7:55 PM   |
| 49 | We need a larger community indoor gathering space with updated facilities.  | 10/9/2020 3:58 PM   |
| 50 | It is difficult for kids to safely navigate around town due to the major roads that cross it. A bike trail system that is safe for kids to access would be wonderful.   | 10/8/2020 3:44 PM   |
| 51 | A separate entrance/side drive at Myers Park for persons who have a town sticker. You all do a great job!!!! Keep it up!  | 10/8/2020 2:20 PM   |
| 52 | Due to additional housing in Lansing, I think we need better supervision and oversight as I stated previously. I Love Myers Park!   | 10/8/2020 10:56 AM  |
| 53 | Converting the train tracks into hiking and bike paths would be amazing.  | 10/8/2020 10:25 AM  |
| 54 | Community involvement in clean up, organizing programs for community such as walks, runs, activities for children to encourage exercise   | 10/8/2020 8:51 AM   |
| 55 | Rails to trails? The railway from the power plant into Ithaca could be an awesome opportunity to add trails and connect to the larger trail network. Also May allow increased use of biking to  | 10/7/2020 6:34 PM   |

|    | work.  |                    |
|----|--|--------------------|
| 56 | Ban jet skis on our part of the lake, or at least limit times permitted or do a noise limit. There were more than ever this year and that horrible chainsaw sound really interferes with lake enjoyment for paddlers, swimmers, walkers, runners, picnickers and people on less noisy boats. | 10/7/2020 5:30 PM  |
| 57 | A dog park at the town trails area would be amazing.   | 10/7/2020 3:21 PM  |
| 58 | Well manicured walkways/paths that are easily accessible by all. We need them in multiple places, especially covered paths.  | 10/7/2020 1:01 PM  |
| 59 | You guys do a great job! Love the youth and camp programming in particular. Would love to see more options for swimming (indoors and outdoors) and a dog park (driving down to Cass is kind of annoying!)  | 10/7/2020 9:18 AM  |
| 60 | Maybe a sailing program for children at Myers  | 10/7/2020 7:49 AM  |
| 61 | More security NO SMOKING   | 10/6/2020 8:09 PM  |
| 62 | Hi have a mini golf/putt putt golf adventure park for kids to use through the spearing, summer and fall There is not much for kids to do in the area   | 10/6/2020 6:20 PM  |
| 3  | Sand beach for Myers?  | 10/6/2020 6:19 PM  |
| 64 | Having more restaurants, shops, entertainment in the community   | 10/6/2020 4:47 PM  |
| 65 | For a decade our family has enjoyed the Myers playground. Now, My kids would love a skate park, and mountain bike trails.  | 10/6/2020 4:02 PM  |

| 67 | Thank you! Lansing is blessed with beauty and people who care about maintaining it. Thanks for all you do.   | 10/6/2020 3:12 PM  |
| 68 | I think the town should look for any unique natural lands for the creation of new parks as well as making sure there are parks close to all the major housing areas. Then, connect the parks with trails.  | 10/6/2020 3:04 PM  |
| 69 | Thank you for the existing opportunities for recreation that you provide, it makes a big difference. Lansing needs less land development and more natural outdoor recreation opportunities   | 10/6/2020 2:21 PM  |
| 70 | Thank you for all that you do.   | 10/6/2020 2:17 PM  |

| 72 | It would be great to have an indoor facility to rent for small gatherings larger than the current community center.  | 10/6/2020 2:09 PM  |
| 73 | I'm really thankful for the town parksplease fight to keep them under Lansing's control, rather than merge them under Tompkins County's authority (if that's still being considered).  | 10/6/2020 2:09 PM  |
| 74 | Longer trails that could be used for a good run, or maybe connecting trails would be amazing!<br>I'd love to go out for a 3-6 mile run on Lansing trails.  | 10/6/2020 2:03 PM  |
| '5 | Great job Lansing! We love our parks and rec here.   | 10/6/2020 9:59 AM  |
| '6 | You guys rock! Thanks for offering affordable and fun services for our whole family.   | 10/6/2020 9:56 AM  |
| 77 | Regional softball program  | 10/5/2020 8:38 PM  |
| 78 | I would love to see a dog park in Lansing, something with a separate area for small dogs. Also,<br>There needs to be an option to pay for rec activities by check or in person. The fees for online<br>payments can really add up.   | 10/5/2020 11:23 AM |
| 79 | trail system from town center to myers   | 10/5/2020 11:00 AM |

| 31 | We need to reserve as much public lake access as is possible in the town. Is there any available on the Bell Station property?   | 10/4/2020 8:10 PM  |
| 82 | The level of "improvement" at our more manicured parks is very good as it is. I object to over-<br>mowing and taking away every bit of nature in some cases. That is why I love Salt Point and   | 10/4/2020 5:55 PM  |

the Center Trails. some Nature is kept at those places. I like having areas natural and a little "wild"! We need to share our open spaces with non-human creatures, who are losing all their habitat in today's human-dominated world.

| 83 | A rails to trails path from north of Myers to north of the power plant would be wonderful.   | 10/4/2020 5:29 PM  |
|----|--|--------------------|
| 84 | More birding trails  | 10/4/2020 3:09 PM  |
| 85 | some transient dockage at myers so that we can boat to the park for events and tie up the boat for an hour or two and then walk around the park to enjoy concerts and events | 10/4/2020 11:21 AM |
